After entering the personal cabin, enter the accounts panel

The screenshot displays the STP TRADING Accounts page. At the top right, there are buttons for 'Deposit', 'Web Trader', and 'Sign out', along with a 'Client ID: Approved' status. The main content area is titled 'Accounts' and includes tabs for 'Trading Accounts' and 'Demo Accounts'. A table lists account details with columns for Account Number, Platform, Account Type, Status, Currency, Balance, Leverage, Download, and Actions. In the Actions column, there are 'Funds' and 'Password' buttons. A red arrow points from the 'Password' button to the 'Change Password' button in the 'Quick Actions' section at the bottom of the page. A large number '2' is positioned above the 'Change Password' button, with another red arrow pointing down to it.

To change the password of the real account or the demo account, you can use the specified options

The screenshot shows the STP TRADING user interface. At the top, there is a navigation bar with 'Deposit', 'Web Trader', and language options 'En', 'FA', 'AR'. A user profile section shows 'Client ID: [redacted]' and a green 'Approved' status. Below this is the 'Accounts' section with tabs for 'Trading Accounts' and 'Demo Accounts'. A table header lists columns: 'Account Number', 'Platform', 'Account Type', 'Status', 'Currency', 'Balance', 'Leverage', 'Download', and 'Actions'. A modal window titled 'Change password' is open, showing account details 'Account: MT5 - USD - Live'. It has two main sections: 'Enter New Password' and 'Verification Method'. The 'Enter New Password' section contains two input fields: 'New Password *' and 'Confirm New Password *'. The 'Verification Method' section has a radio button selected for 'STPTrading Portal Account' and a 'Password *' input field. A red arrow points from the number '1' to the 'Confirm New Password *' field, and another red arrow points from the number '2' to the 'Password *' field. A 'Change Password' button is located at the bottom right of the modal.

1- Register your new password
